4. **Internal Antenna Area For Voice**

Getting Started
The Battery

Installing the battery

1. Insert your finger tip into slot at the bottom of the phone and gently lift back cover to remove.

2. Slide the battery into the slot by aligning the contacts and press down until you hear the "click".

3. Align the cover tabs with the slots on the back of the device and gently press the battery cover onto the phone until it snaps into place.

Removing the battery

1. Turn off your phone and remove the back cover.

2. Insert your fingernail into the slot and lift the battery from the compartment.

Charging the battery

1. Insert the small end of the Charger cable into the Micro USB/Charger port.

2. Plug the large end of the charger into an electrical outlet to begin charging.

A computer can be also used to charge the smartphone by connecting via a USB cable.

Any Micro SD charger will work to charge, your phone may display a message that it is not preferred, however it will charge the phone properly.

Turning Your Phone On / Off

1. Press and hold the Power/Lock Key 🔴 at the top left of the phone until the screen lights up.

2. To turn off the phone, press and hold the Power/Lock Key 🔴 until the pop-up menu appears.

3. Tap **Power off** in the pop-up menu.

4. Tap **OK** to confirm that you want to turn off the phone.

Lock / Unlock Your Phone

Locking Your Phone

• Press the Power/Lock Key 🔴.

Unlocking Your Phone

1. Press the Power/Lock Key 🔴.

2. Tap and drag the lock or application icon into the center of the circle that appears on screen.

Messaging

Send A Text

1. From the Home screen, touch 💬 **Messaging** > **New message** ➕.

2. Tap the **To** field and enter the recipient's name, phone number or Email address**.**

3. Touch the **Type to compose** field and compose your message. While composing a message, touch ⋮ **Menu** for these options:

• **Add subject:** Add a subject field to the message and enter a subject. (This option also converts the message to MMS.)
• **Insert text:** Select text from Contacts, Bookmarks or Quick Text to add to the message or just add text/message.
• **Insert smiley:** Add a text emoticon to the message.

4. Touch Send to send the message.

Voicemail

Checking Voicemail
